

Singapore Cooperation Programme Delegation

30 August 2023

The Academy of Singapore Teachers (AST) welcomed 22 officials from education ministries and related departments of developing and small island countries on 30 August 2023.

The session is part of the delegates' five-day programme titled "Education Transformation for Policy Makers: The Singapore Experience" from 28 August 2023 to 1 September 2023. This programme is conducted by the National Institute of Education (NIE) and sponsored by the Ministry of Foreign Affairs, Singapore (MFA), under the Singapore Cooperation Programme.

The delegates were hosted by Mr. Kwok Ying Liang, DD2PD2/DDPDPO/AST, and they engaged in a lively dialogue on supporting and promoting teacher professional learning; a topic that is close to the hearts of the delegates.
