

## Our Past Engagement Sessions

### 2017 - ST Networked Learning Session on 20<sup>th</sup> October 2017

*Core team's recce trip to MOE (Evans Road) – planning for ST Networked Learning Session*

*Sharing idea of NLC*

*Core Team members facilitating learning amongst STs*

*STs (D&T) engaged in learning together*

Core team members facilitate learning:  
Work alongside STs (D&T) to highlight how  
STP looks like through an activity

For STs, by STs

Networking amongst STs (D&T)

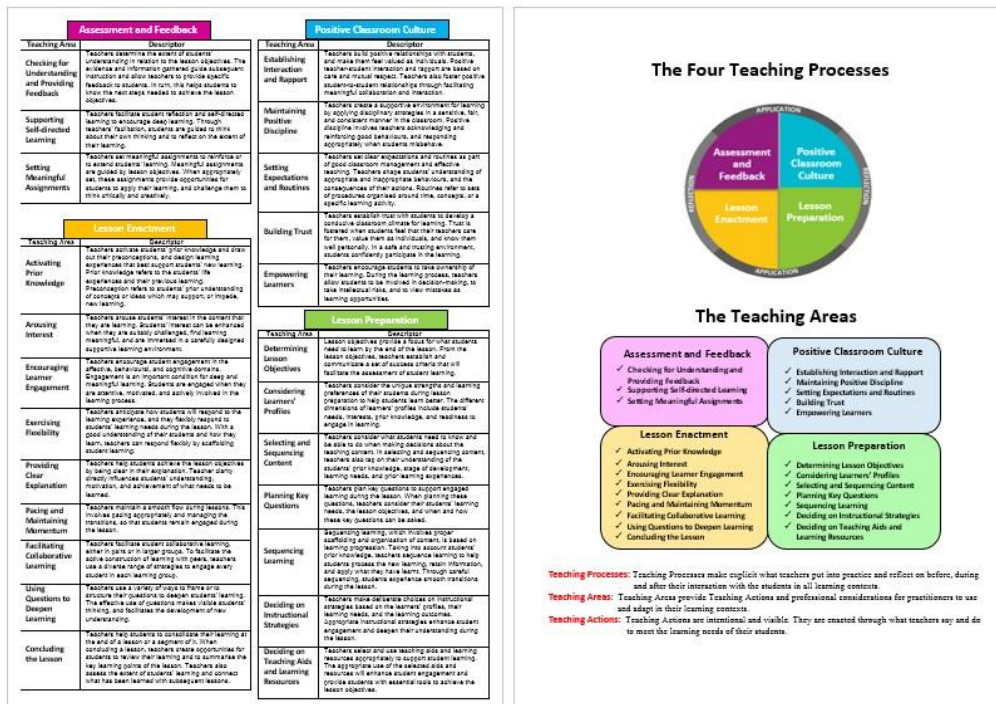

D&T Core team members organised a Networked Learning Session for D&T Senior Teachers focusing on 'How the Singapore Teaching Practice looks like in D&T practices', on 18<sup>th</sup> May 2018 (Friday).

# Contributions of the D&T Core Team (2017 – 2018)

One page simplified easy-to-read STP Teaching Areas mapped out to the Teaching Processes

STs learning together

## Comments (ST Networked Meeting in May 2018) - Useful ideas

*"Mapping of current teaching and learning practices to STP (the teaching areas)"*

*"Sharing by Kok Meng on ORSI & how this approach is being used for questioning"*

*"Adopt a questioning technique & facilitate students in generating questions for independent learning"*

*"Good (feedback) session"*

*"Get students to create questions, arouse students' interest by using RWP"*

*"ORSI in deepening students' inquiry & deepening thinking, providing a link to Design Thinking"*

*"ORSI method to ask questions and get response"*

*"ORSI thinking routine"*

*"ORSI sequential questioning to bridge between personal context to community context"*

*"Deepening my own questioning techniques in the class. Trying ORSI"*

## 2018 - Chapter Learning Day on 16<sup>th</sup> Nov 2018

D&T Core team members organized a learning journey for D&T educators to Makerspace@XPC. The learning journey included a tour of the fabrication laboratory, as well as sharing from 2 schools on engaging their students on digital making.

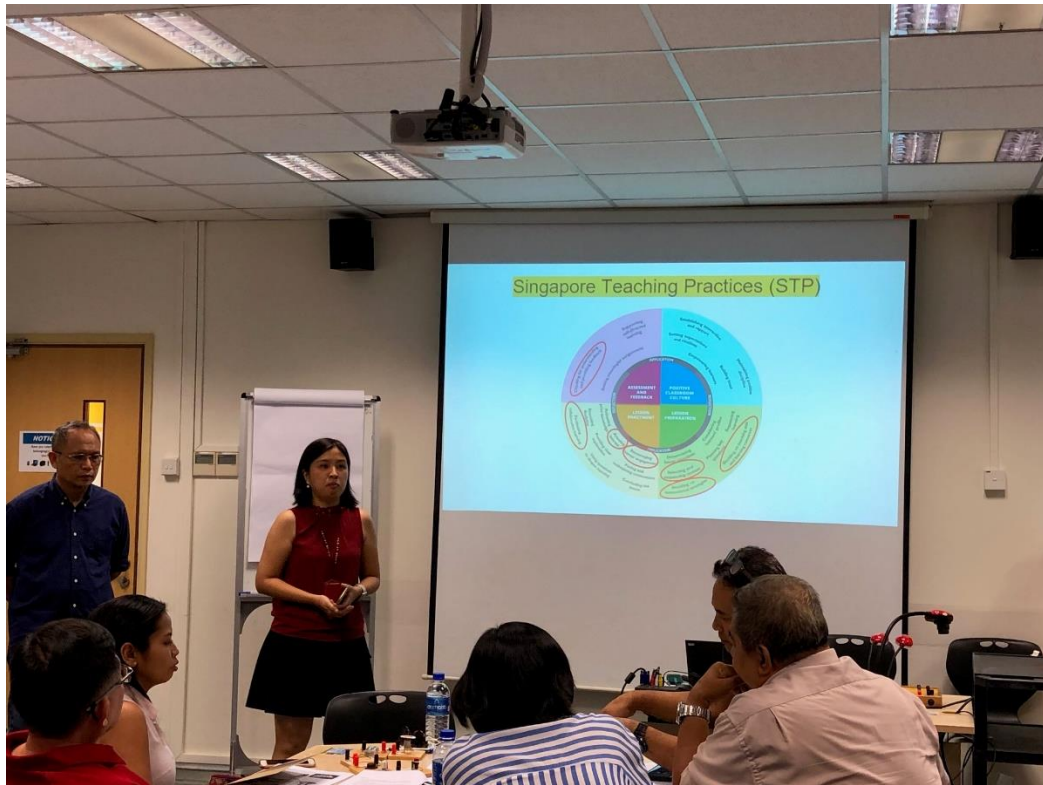

## 2019 – ST/LT Networked Learning Session on 10<sup>th</sup> May 2019

D&T Core team members organised a Networked Learning Session for D&T STs/LTs on 10<sup>th</sup> May 2019 (Friday).

## 2019 - Chapter Learning Day: Learning Journey to Singapore University of Technology and Design on 8<sup>th</sup> Nov 2019

D&T Core team members organised a learning journey for D&T teachers on 8<sup>th</sup> Nov 2019 (Friday).
